DECISION ON PETITION
TO WITHDRAW THE
HOLDING OF ABANDONMENT

MAILED
DEC 18 2000
Office of the Director
Group 3600

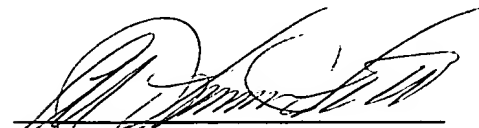

This is in response to applicant's petition to withdraw the holding of abandonment, filed in the United States Patent and Trademark Office (USPTO) on November 13, 2000.

The petition is **GRANTED**.

A review of the file record indicates that the application was held abandoned for failure to respond to the Office letter dated April 16, 2000, within the Shortened Statutory Period of one month set therein.

Applicant has submitted a copy of a response, which includes a copy of a post card identifying the Amendment and which includes a USPTO Mail Room receipt date of May 5, 2000. This is acceptable evidence of a timely response.

Since a timely response to the Office letter was filed, the holding of abandonment is withdrawn and the application is restored to pending status. The application is being forwarded via the Supervisory Legal Instruments Examiner to the Primary Examiner for prompt action on the merits of the claims.
